

## St. Edith Stein Catholic Community

### The Writings of St. Paul

#### Adult Scripture Study

Fall & Spring

2014-2015

#### Overview

The year study will provide an overview of St. Paul and his letters. St. Paul is one of the most dominant figures of the New Testament and wrote numerous letters to the communities he founded in Asia Minor. He was passionate and dedicated to spreading the Gospel of Jesus Christ and calling the followers of Christ to be committed and zealous disciples. Paul's letters speak to many issues that face Christians in the modern time and challenge us to faithfully follow Christ. The class will meet six times over the year, three in the Fall and three in the Spring. The class will run for 3 hours each class where the instructor will work with the students on the study of the different letters of St. Paul. Study in between the classes will be guided by the instructor and the accompanying commentary on the writings of St. Paul.
