

Dear Monica & St. Edith Stein,

I am CPT Moreno, Mayra May's brother. I wanted to thank you for all the care packages we received from St. Edith Stein Catholic Church/Military Ministry. Receiving anything from the people we are serving and sacrificing everything for is a morale booster! The soldiers of Delta Company, 405th Civil Affairs Battalion would like to thank you all for your kindness and your prayers. We are deployed in Wardak Province Afghanistan and we are very busy most days of the week. Your care packages and letter were a good reminder of why we are here.

Please tell everybody at the parish thank you very much from all of us.
